First Responders Wanted

Recently, an air ambulance landed on Lockerley Green to help a sick baby.

In the same week another ambulance went to a poorly man not far away. If there had been First Responders on duty, they would have helped these two almost immediately. Both waited at least half an hour for assistance. Unfortunately, there are not enough First Responders to provide 24-hour cover. We'd love to have more. Training is provided by the Ambulance Service. Interested? For more information, contact Barbara Needham 01974 340606 or barbaraneed@yahoo.co.uk
