Test Valley Villages Lecture.

Wednesday March 16th.
8pm Broughton Village Hall
"Who do you think you are: How genes work", with
speaker Andrew Seber CBE,
This talk is an opportunity to review the basics of DNA
and other molecules that are the fundamental building
blocks of life, and how they contribute to making you
who you are.
Whether you have a background in science or not, this
talk will give a fascinating insight into how genes work.
This lecture might be useful revision for any young
people studying science for GCSE and A level, who
may attend without charge. As usual, the cost for
adults is £3 to include a drink. All are welcome.

West Tytherley Harvest Supper – 2015

It's a bit late but the final accounts are in! The Harvest
Supper Raffle/Pumpkin Auction raised some £531.51
to go to aid Syrian Refugees (through the Red Cross
ICRC) [www.icrc.org/en/where-we-work/middle-
east/syria](http://www.icrc.org/en/where-we-work/middle-east/syria)
Thanks go to Sarah Matthews and all those who
helped with the event – and especially those who paid
far too much for a pumpkin! This year's Harvest
Supper will be on Saturday 8th October – watch out
for details!

A message from Cledwyn Davies.

I hope to interest a group who would like to know more
about aspects of geography and geology by visiting
selected areas of Hampshire, Wiltshire and Dorset.
An example of a local excursion would be to the
western end of the Isle of Purbeck: we would meet in
Lockerley and depart for Lulworth Cove. The visit
would be from the Cove to Durdle Door, taking
approximately five and a half, to six hours, including
journey time. We would share transport and parking
costs and would plan for a pub (or picnic) lunch as part
of an enjoyable, and informative day.
If you're interested, do please call me on 01794
342077, or email cled_davies@hotmail.com.

Computer Drop Ins

The free Computer sessions are going well at
Lockerley Village Hall, in fact so well, that we are in
need of extra volunteer mentors to support the
sessions. We currently have two dedicated volunteers
who alternate the sessions but the number of
attendees has increased that we need two volunteers
per session.

Residents are accessing the sessions for a range of advice including;
 *how to download photographs
 *help with mobiles
 *on line shopping
 *web security
 *email accounts and much much more.
 If you have a good working knowledge of computers and tablets and willing to spare 2 to 4 hours a month

to support this fortnightly session, then please contact Marianne on 01264 368623 / mpiggin@testvalley.gov.uk. Please note we do not pretend to know all the answers and sometimes mentors might not know the answers immediately but we endeavour to help where we can. Sessions are held on the first and third Thursday of the month, 10am-12pm at Lockerley Village Hall.

Thorngate Care Group If you need any help, including transport, call: Julie 01794 340850
